*Moving trucks can get hot...even during the winter months. Please keep in mind that anything that can melt (Chocolate, candles, wax, etc.) may cause damage to the contents of the Truck. Please kindly consider giving away, or donating your chocolate, candles or waxes of any kind.

*Also, please consider that if your move is longer than a day, or you are moving out of state, your houseplants will not make it and cannot go with the movers. Some states even prohibit the

If you have questions...please do not hesitate to ask!
