IMPORTANT INFORMATION ABOUT THIS ESTIMATE

This is a BINDING estimate. It is binding on both Your Moving Company and you, the shipper. The charges shown apply only to the goods and services specifically identified in this estimate.

If you add goods or services before loading, we will either confirm this estimate in writing, give you a revised binding estimate to sign, or agree with you in writing to treat this estimate as non-binding. If we load your shipment without doing one of these, this estimate stands.

Also due at delivery: charges for any services you ask for after the bill of lading is issued, and, if needed, impracticable operations as defined in our tariff. Impracticable operations charges collected at delivery cannot be more than 15 percent of all other charges due at delivery.

Before we do any service not listed here, we will tell you what it is and what it costs, and get your agreement.

If you do not pay the charges due at delivery, we may place your shipment in storage-in-transit at your expense, at the rates in our tariff, until the charges are paid.
